SHOW AWARDS

NOMINATION INSTRUCTIONS

1. Showrunners, please only nominate your own shows (unless otherwise specified) to allow those who do not wish to be part of the awards a chance to opt out.
2. Dark orange bands indicate the award title; light orange bands are the nomination instructions for that specific award and any restrictions to the number of nominations allowed.
3. In the nominee section (eg. 'Nominee 1') fill in the name of the series.
4. In the 'recommended example episode' section, fill in the episode number (eg. 2.04) and the name (eg. 'Blue Skies') of the episode that best displays the elements of the award (eg. The recommended episode for 'most outstanding action/adventure series' would ideally display a lot of action or adventure in it).
5. Showrunners may nominate their show under TWO different genres. (eg. A show's primary genre may be 'Action/Adventure' but have a secondary genre of 'Drama', therefore it could be nominated for 'most outstanding action/adventure series' AND 'most outstanding drama series')
Secondary genres can be chosen at the showrunners discretion but will be checked to make sure they do align with the show's main genres.
