FADE IN:

INT. WINCHESTER MEMORIAL - WAITING ROOM - NIGHT.

COLD OPEN, on a steel, double swinging door inside the Hospital. We HOLD on that shot for just a moment, before --

WHAM!!

The doors part open as a paramedic team rush in, carrying LUCY on a gurney. She's unconscious, and attached to a heart monitor. A FEMALE doctor darts over -- this is **DOCTOR HART**.

HART

What do we got?

PARAMEDIC

Vic's name is Hamilton, Lucy. She was at a party. Not sure on the details yet.

Hart leans forward and pulls out a pen light.

HART

(Gently)

Lucy, can you hear me?

NO RESPONSE.

HART (CONT'D)

Alright, get her into ER room one.
Go!

BACK on the HOSPITAL ENTRANCE --

The doors open, revealing CHARLIE and SHANE slamming into view. They follow the paramedics down the waiting room, and toward the ER. Charlie is in shock, and Shane walks beside him, covered in CRIMSON RED blood.

HART (CONT'D)

(To the boys)

You two wanna tell me what happened?

Neither respond, still stunned by the event.

INT. PRESTON HALL - CHARLIE AND BLAKE'S ROOM - MORNING.

LUCY stands over Charlie, a glow coming from behind her as the lights adjust. Charlie blinks violently, confused.

Still one foot in a dream, as he clears his throat and slowly sits up. As he raises, Lucy leans back.

CHARLIE
Lucy... what are you doing here?

LUCY
It's Saturday. We're going to the beach, remember?

Charlie nods.

CHARLIE
Right, the beach.
(looks around)
What about Maya and Shane?

Lucy stands to her feet and begins to move towards the door, before throwing her head back to him, with a warm smile

LUCY
Shane's meeting us at my dorm room.
Figured you would of slept in if no one came to get you.
(beat)
I was right.

She grins before opening the door and walking out, and for a moment, Charlie smiles as well. Then, he remembers the dream. As the smile on his face slowly falls, we can't help but --

ACT ONE

FADE IN:

INT. LAW OFFICE - CONFERENCE ROOM - DAY.

TIGHT on BLAKE, who stands in front of the window. His mind is somewhere else, as he gazes out onto the view, deep in reflection.

We PAN around the room to see CONSTANCE sitting at a large, squared conference table. A folder laid out in front of her. She glances up at Blake.

CONSTANCE
You need to relax.

No response from Blake, as he continues to gaze out the window.

BACK ON CONSTANCE as she lets out a slight sigh, turning to her paperwork. She scribbles something down for a moment, before Blake finally turns to face her.

BLAKE
You ever get the feeling your day
is going to end badly?

Constance laughs, nervously.

CONSTANCE
Yeah, I know the feeling, kid.

A short, and repeated vibration is heard as Constance looks over at her phone, on the table, and picks it up and answers it.

CONSTANCE (CONT'D)
Alright, Gallagher just texted me.
He and Miss. Bailey are on their
way up.
(Points next to her)
Have a seat.

Blake nods and slowly makes his way around the table, sitting next to Constance.

Suddenly, the door opens and in walks ASSISTANT DISTRICT ATTORNEY JARED GALLAGHER.

GALLAGHER

Counselor Templeton. Nice to see you, again.

(checks her out)

Really nice...

He flashes her a smile as he lowers into his chair. Karen sits to his left, as she flashes Blake a dirty look.

CONSTANCE

Can we just cut to the chase, Gallagher?

She leans back, confident.

CONSTANCE (CONT'D)

You really have no case here.

(looks at Karen)

Just a grieving mother looking for someone, something... to blame for losing her only son.

(looks to Karen)

What your doing, is wrong, and your ruining a young hopeful students life --

BLAKE

(cuts her off)

-- Constance, stop.

CONSTANCE

(continues)

We both know, Blake had nothing to do with your son's death.

Karen says nothing simply stares down Blake, who notices but tries to ignore as Gallagher grins, then lets out a small chuckle.

GALLAGHER

Right... no case, huh?

BLAKE

An application I filled out, to be a Teachers Assistance back at Dobson University.

Gallagher nods.

GALLAGHER

Right.

He leans into his briefcase and pulls out a second document and hands it Blake.

GALLAGHER (CONT'D)

And what's this?

Blake looks it over, as shock dawns on him.

BLAKE

Both Lucy and Charlie stand, stunned. Lucy claps her hand's over Charlie's eyes.
